7-9

4-6

1-3

Personal Study

How much of the weekly personal study did you complete?

Completed it every week or almost every week

Completed it most of the time

Did some of the study most weeks

Rarely read through the study and verses

How much time per week did you spend in personal study on average?

What did you like about the study and/or what changes would you suggest?

Small group

Leader's name _____

Choose the statement that best describes your group:

Very involved with one another's lives; much transparency

Concern for one another but little transparency

Connected only at class

No real connection with anyone in the group

Choose the statement that BEST describes your group discussion:

Great interaction

Most participated

Dominated by a few

Leader did most of the talking

PLEASE TURN OVER TO COMPLETE

Choose the statement that BEST describes your small group prayer time:

- Special time of connection
- Too rushed
- Appreciate praying together
- Would prefer not to pray together

Comments and/or constructive suggestions about your small group time:

Large group teaching:

Check ALL statements that describe what you received through the teaching time:

- Strengthening/encouraging/challenging my faith
- Helped me focus on who God is
- Provided good application for my life
- Provided better understanding of the story
- Pulled the lesson together for me
- Wasn't very helpful to my spiritual walk

Comments and/or constructive suggestions about the large teaching time:

Please give us more understanding of your perspective by answering these questions:

What was your MAIN purpose in attending Bible study?

Did you achieve that purpose, or at least progress toward it? Why or why not?
